

Call for Papers

Special Issue on ASP-DAC 2013

<http://www.sig-sldm.org/tsldm/>

Submission deadline: February 8, 2013

Expected issue date: August 2013

Authors of ASP-DAC 2013 are offered an exclusive opportunity to quickly publish their work in a premier journal.

IPSJ Transactions on System LSI Design Methodology (TSLDM) is going to deliver *Special Issue on ASP-DAC 2013*. Authors of regular papers presented at ASP-DAC 2013 are invited to submit extended versions of their ASP-DAC papers to the special issue. A submission to the special issue must include at least 30% new technical contents in addition to the work presented at ASP-DAC 2013. Submitted manuscripts will be peer-reviewed by the editorial board and external reviewers before publication. Authors of accepted papers must pay publication fee (JPY 12,180 / page).

Submission site will be open after ASP-DAC 2013. Please visit the TSLDM website after the conference.

ABOUT TSLDM TSLDM is an open-access online journal published by IPSJ. IPSJ, founded in 1960, is the largest and leading society in the information technology in Japan. TSLDM delivers two issues a year, and each issue contains a couple of invited papers written by world-famous researchers as well as peer-reviewed regular papers.

Each article in TSLDM is given DOI and JOI numbers which enable cross-reference to other publications through CrossRef and JDreamII. TSLDM is indexed by a number of major databases such as INSPEC and EI.
